---

1. Vacation salary for exempts and nonexempts (codes 6052 and 6072) will also be assessed the regular fringe rate in 6270 and 6280, but vacation pay and related regular fringe will be immediately reimbursed to tubs through an automated allocation in separate object codes set up for this purpose (6054 + 6274 for exempts; 6074 + 6284 for nonexempts).
2. Vacation payouts for exempts and nonexempts (codes 6205 and 6207) will also be assessed the extra comp fringe rate in 6231, but vacation payouts and related extra comp fringe will be immediately reimbursed to tubs through an automated allocation in separate object codes set up for this purpose (6206 for exempts, 6208 for nonexempts, and 6323 for extra comp fringe).
