

Cost Transfer Request Form

Complete this form when processing a debit to a **federal award that meets the cost transfer criteria**. Please see the Cost Transfer Procedures, Flow Chart, and Calculator in the [Cost Transfer Policy Resources](#) for additional guidance and required supporting documentation.

Original (earliest) Transaction Date: _____

Check one: Over 90-day cost transfer Under 90-day cost transfer **(Note:** Use the [Cost Transfer Calculator](#) to calculate 90 days.)

From (Credit): Org#/Name Fund Activity Subactivity Obligated Award Period End Date Amount

To (Debit): Org#/Name Fund Activity Subactivity Obligated Award Period End Date Amount

To (Debit): Org#/Name Fund Activity Subactivity Obligated Award Period End Date Amount

For over 90-day cost transfers, check which exception to the Cost Transfer Policy is applicable:

Late issuance of a relevant Action Memo for reasons beyond the control of the requestor. **Note:** The deadline for submission of cost transfers is 45 calendar days after the issuance of a relevant Action Memo.

Failure of another department to take action (e.g., on a properly submitted payroll distribution change request or service center charges). Departments are required to provide evidence of timely follow-up.

Sponsor requirement dictates the need for the cost transfer (e.g., NIH fellowship stipend adjustments to comply with NIH X-train requirements or sponsor approved the expenses that were previously removed).

A debit to correct a credit to a federal award (only allowable to correct a duplicate credit or to match a submitted FFR or final invoice).

Other extenuating circumstances; please describe:

For all cost transfer requests, regardless of over or under 90 days, except the Late Action Memo exception, please answer the questions below:

- 1) How was this error or situation discovered? Please include the reason this was originally charged to the incorrect fund.

- 2) Please specify the transaction being moved and how it directly benefits the federal award(s) it is being moved to.

- 3) How will this error or situation be prevented from occurring in the future? (**Note:** This may result in the development of a corrective action plan after further review by the School/Tub and OSP.)
