

Federal Lowest Economy Airfare Travel Reimbursement Exception Form

Effective: March 1, 2016

Airfare Restrictions on Federal Awards

Federal regulations (2 CFR §200.475.e(1)) require that airfare costs in excess of the lowest economy fare class are unallowable except when the latter would:

- Require circuitous routing;
- Require travel during unreasonable hours;
- Excessively prolong travel;
- Result in additional costs that would offset the transportation savings; or
- Offer accommodations not reasonably adequate for the traveler's medical needs.

Exceptions for business-class or upgraded economy airfare must meet one of these criteria and be justified and documented to be allowable on a federal award. These exceptions require documentation and written approval by a designated school official.
